Summary Care Records.

The NHS Summary Care record is an electronic record of important information about your health. Your Summary Care Record will be available to authorised healthcare staff providing your care anywhere in England, but they will ask your permission before they look at it. Please ensure to tick only ONE box and sign.

□ Express consent for medication, allergies and adverse reactions
□ Express consent for medication, allergies, adverse reactions and additional information
□ Express dissent [opted out] – Patient does not want a Summary Care Record

Name..... Date of Birth.....

Signature.....

You can choose NOT to have a Summary Care Record and you can change your mind at any time.

Patient Participation Group

The Practice is committed to improving the services we provide to our patients.
To do this, it is vital that we hear from people about their experiences, views, and ideas for making services better.
By expressing your interest, you will be helping us to plan ways of involving patients that suit you.
It will also mean we can keep you informed of opportunities to give your views and up to date with developments within the Practice.
If you are interested in getting involved, please tick the box below and we will arrange for the Practice Patient Participation Group Application Form to be given to you at your initial consultation.

Yes, I am interested in becoming involved in the Practice Patient Participation Group (Please tick the "Yes" Box)	**Yes**

Patient Signature:		**Signature on behalf of Patient:**	

Your physical examination will include having your height, weight and blood pressure taken, and a specimen of urine for testing (it would be helpful if you would bring a specimen with you when coming to the Practice).
The Consultation will also establish relevant past medical and family history, including:

- ***Medical factors - illnesses, immunisations, allergies, hereditary factors, screening tests, current health***
- ***Social factors - employment, housing, family circumstances***
- ***Lifestyle factors - diet and exercise, smoking, alcohol and drug abuse.***

Thank you for completing this form
